'All-Access Club' members receive real-time personal coaching from Blair Singer, himself. Get straight-talk answers to your questions during these monthly open-line calls. One-on-one tune ups. Break down the roadblocks, discover the pitfalls and chart a game plan for success. And, 'Chat with Champions.' You'll have access to powerhouse professionals in sports, entertainment and business.

These are Blair's own mentors, coaches and friends. Featured interviews have included '*Chicken Soup for the Soul's*' Jack Canfield, '*Rich Dad, Poor Dad*' Robert Kiyosaki and best-selling author of, '*The EMyth*,' Michael Gerber. Learn the secrets for success from the pros and get inside track information that puts you ahead of the game.

One of the top experts in facilitating personal growth and organizational change in business today, Blair Singer says, "You'll benefit from the wisdom I've gained over the past 20 years I've spent helping people and businesses achieve more money and greater happiness." Singer has earned global recognition through his unique, high impact approach to teaching that virtually guarantees impressive results.

A dynamic, in-demand public speaker, Singer has spanned 20 countries on five continents with clients ranging from Fortune 500 companies like Singapore Airlines, Deutsche Bank, Redken, IBM, Westin Hotels, CitiGroup, UPS and Dunkin' Donuts, to small business owners, entrepreneurs, sales teams and just regular folks. He applies the same tried and true principals that work for big corporations to the Business of Everyday Life helping individuals hungry for greater success.

Blair Singer is CEO of SalesPartners Worldwide, an international sales training organization and global franchise network of professional mentors and business builders. Singer also founded the 'All-Access Club' which provides monthly members with personal coaching calls, one-on-one tune ups and access to powerhouse professionals in sports, entertainment, and business. And, he wrote three best-selling books including, *SalesDogs: You Don't Have to be an Attack Dog to be Successful in Sales*; *The ABCs of Building a Business Team that Wins*; and "*Little Voice*" *Mastery: How to Win the War Between Your Ears in 30 Seconds or Less - and have an Extraordinary life!*
